Dear Mr. Harvey,

Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of SCE&G at our home address and pay the bills for the firm that I work for which get our electric power from SCE&G, the company that is the subject of this pending proceeding.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

It is appalling to know that the executives and board members of SCE&G and SCANA would blatantly deceive their customer base like they have done. In my opinion, SCANA & SCE&G should be ashamed of themselves for the pure greed they have shown in this matter, just look at the money they have put aside in Trust for their Golden Parachutes. They should be required to pay back ALL OF THE FUNDS they have collected for the failed power plant and be made to pay a penalty on top of returning all the funds, so as to deter other companies from doing the same. As an accountant and economist, I feel SCANA & SCE&G along with it's shareholders should pay for this atrocity, not the customers. In my mind, no company is too big to fail. Return the ill gotten funds back to the customers. We have had to work hard for our money, not steal it from mislead and deceived customers like SCANA & SCE&G have done.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I am sorry to say, I am unable to attend the public hearings.
